ACTIVITIES AT MEMORIAL

The Appomattox Zone Christian Workers' Training School closed last Friday evening with an exceptionally fine attendance, considering the inclement weather. There were thirty present on last Wednesday evening. Total enrollment for the school was 86 representing 11 Methodist churches of the Area. Fifty-eight persons received credit from the Memorial Church and the Churches of the three circuits of Appomattox, Concord and Pamplin. Announcement was made at the closing session of a Planning Conference with the Conference Executive Secretary sometime in May to arrange and schedule the school for next year. Pastors and Church School superintendents and representatives from the several churches will arrange for the School.

Sunday will close the Ten-Month Period of the Current Conference year and two special services are being arranged. The Chapel Choir under the direction of Mrs. Marrell Ferguson will furnish special music for the Morning Worship Service. World Service Sunday will be observed in the Church School with Ivey Holland in charge of the Opening Worship Service for the Adult Division. The Youth Division will feature an emphasis upon the Church and Youth's Responsobility to it.

The Four Departments of the Children's Division are emphasizing the Pre-Easter Season with appropriate worship services in each group.

The minister will give the last of the Series on The Christian's Graces, using the Subject "The Christian's Cross." During the Evening Worship service, lasting only forty-five minutes, the MENS' CHORUS will give several selections of the Old Familiar Gospel Songs, and the pastor's message will close the series on the Upper Room, using the title "What Could Happen - IF".

In connection with the outside expansion program we now have underway, we are also making changes and modifications in our dial central offices in Appomattox and Pamplin in Preparation for the forthcoming dialing of long distance calls, which will be available sometime in the future. This preparatory work will necessitate the change of every telephone number in Appomattox and Pamplin. In Pamplin the name Circle will be dropped and figures substituted. In Appomattox all numbers will have eight digits. These changes will be made in the next directory which will be issued about July this year. The new numbers will be assigned in June.

We are calling this change to your attention in advance so you may guard against having calling cards, stationary or forms printed up using your present telephone number.

The change when it becomes effective will create a bit of confusion, which none of us like, however we are positive that it will be in the best interest of our customers in the long run.
